8/20/08

Goals associated with educational consultative service for XXXXX XXXXX and family include (but are not limited to);

1. Matt Wanzenberg will collect information from XXXXX, ANYTOWN HIGH SCHOOL Staff as appropriate, family and other relevant sources to develop a College Support Analysis. This analysis will take evaluate XXXXX's learning profile and career interests in Nursing and provide the family with information for college admissions and –ultimately—selection.
  - a. The schools analyzed will include
    - i. Eastern Illinois University
    - ii. Western Illinois University
    - iii. Northern Illinois University
    - iv. Illinois State University
    - v. University of Wisconsin-Oshkosh
    - vi. Ball State University
    - vii. Hope College
    - viii. Lewis University
2. Matt Wanzenberg will consult with XXXXX on the development of a college admissions essay which draws upon her many marketable strengths
  - a. Matt will assist XXXXX in the development of a resume
  - b. Matt will assist XXXXX in any follow-up or appeal correspondence after the initial admissions decision
  - c. Assist XXXXX in the application for scholarships
3. Matt Wanzenberg will contact ANYTOWN HIGH SCHOOL to get records and information related to her current support plan.
4. As requested, Matt Wanzenberg will provide direct and indirect advocacy services to ensure XXXXX's IEP needs are met by ANYTOWN HIGH SCHOOL in a compliant manner.
  - a. As requested, Matt will participate in IEP meetings to problem solve and offer accommodations and support alternatives to the school team
  - b. As requested, Matt will follow up with ANYTOWN HIGH SCHOOL casemanager and program coordinator to ensure she has a clear and predictable support structure
5. As requested, Matt Wanzenberg and Associates will conduct a private educational assessment that will meet the needs for documentation of disabilities for prospective college choices.

- a. As requested, Matt will also assist in integrating these recommendations into XXXXX's current IEP at ANYTOWN HIGH SCHOOL.

Questions:

- 1.) What college options –within the broad range of possibilities offered by XXXXX and family—offer the best career options and supports to meet her needs?
- 2.) If XXXXX requires plans to self-identify at college as a student with a learning disability (and also access the supports associated with this status), then what information or testing is required to support her request?
- 3.) If XXXXX and family choose to update testing, what components of the evaluation are needed to meet the standards required by the receiving college(s)?
- 4.) Does ANYTOWN HIGH SCHOOL have a legal responsibility to update this testing as part of XXXXX's Free and Appropriate Public Education?
